Best Practice 2017-18

1. Title: - Awareness program on Legal Rights

Objective: - This program was initiated to spread awareness among people about their duties, rights and new laws and provisions

Context: - This objective was achieved through the program connecting to serve. The message was delivered through street play in the nearby premises of Maroda and Jamgaon. This was conducted by legal services Pakhwada under the name of the program 'connecting to serve'. The students of Bhilai Maitri College focused on these areas; domestic violence, rights to property, misbehavior towards senior citizens, etc. The secretary of legal rights services gave detailed information to the people on these. They also showed a video clipping on the program.

BEST PRACTICES:
