

BEST PRACTICES :

TITLE- ULLAS (An Inter-collegiate competition)

OBJECTIVES: This competition was organized to bring out the talent of the students and develop co-curricular persuade.

CONTEXT: ULLAS created a platform for the trainees to demonstrate the talent and exhibit their unique skills to achieve their co-curricular goal. This programme covered various co-scholastic areas where the trainees could showcase their true talent and skills in their thrust areas. Under this context various programmes organized were Mehendi, Rangoli competition, Flower decoration, Group and Solo dance.

No. Of Participants: In this competition 137 participants showcased their talent.

OUTCOMES:

- 1) It developed articulate physical and verbal communicators of the visual art of dance
- 2) It develops skills that are necessary for learning such as creativity, communication, critical thinking and collaboration.

2. Title: - Visit to Siyan Sadan

Objective: - To develop moral values among the trainees and established high values in the students by sensitizing them towards the difficulties and problems of homeless and aged people.

Context: - The trainees were filled with sentiments and emotions when they visited Siyan Sadan on 28th October 2017. The trainees interacted with the inmates of the Siyan Sadan. The deem atmosphere of the old age home was enlivened by the presence of the trainees who performed various cultural programs like folk dance, bhajans, ghazals were the elderly also joined the students with enthusiasm. It was surprising and interesting to hear the experiences of the elderly. This visit taught the principles of humanity and unconditional love that one should share with the less privileged.
